WHEEL THROWN POTTERY

Our wheel throwing classes are designed for the beginner, intermediate or advanced student. Advanced students are welcome to work at their own pace. This class is a technical skill building program that will focus on the thrown form. The basics will be covered (wedging, centering and pulling) as well as how to use the wheel, properties of clay, glazing and firing techniques. Demonstrations will be given often, showing technique with plenty of individual instruction. Students will work on their own pottery wheel. Fees include clay, glazes and wheel. Students furnish their own tools and an old towel. Classes are for teens and adults.
